Lawyers for Lori Grubbs

To the Editor:

We are an unlikely bunch to agree. We are Democrats, Republicans, and Independents. We are young and old, male and female, black and white. We are opinionated, outspoken, and are zealous advocates for our different clients and causes. We spend many of our days fighting each other in the Court system here in DeKalb County. However, one thing that we have all agreed is that Lori Grubbs is the most-qualified candidate for DeKalb County Circuit Clerk. Each of us has had dealings with Lori and the Clerk's office on a daily, weekly, or monthly basis throughout our legal careers. Lori has worked in the Circuit Clerk's office since 1994 and has been the supervisor of the Civil Division since 2004. As Lori has served the County for more than twenty-five years, she has ensured that the Circuit Clerk's office runs as it should. She is honest, hard-working, organized, patient, and kind. She is respected by her co-workers, judges, and the other participants in the court system. She knows the importance of maintaining the integrity of the court system and its records and has been doing so already for more than two decades.

Lori is the only qualified candidate for the position of Circuit Clerk. The job of the Circuit Clerk is to keep accurate, thorough records of the judicial proceedings in DeKalb County and assist the Judges in running the judicial system efficiently. It is not a political job and it does not matter to us whether there is a "R" or "D" next to her name on the ballot. What we care about is her ability to lead the office and continue to maintain an efficient, effective, cost-conscious court system.

As the people who spend the most time dealing with the Circuit Clerk's office, we have special insight into the importance of having the right person leading the office. That person is Lori Grubbs and we wholeheartedly endorse her as the next Circuit Clerk. We have come together to sign this letter so that many of you who have not had dealings with the court system can hear from those of us who spend our days in the courthouse how important it is that Lori be elected. We may not agree on who our next State Representative, Congressman, or President should be, but we all agree on Lori Grubbs for Circuit Clerk. We lawyers don't often agree on much, but we are all Lawyers for Lori!
